## WORK EXPERIENCE

---

### **BNP Paribas**, New York, NY

September 2013 – May 2014

*Analyst, Corporate Banking Americas Middle Office*

- Prepared deal summaries for new and amended senior credit facilities across aviation, project finance, export finance, and merchant banking sectors based on terms and conditions outlined in legal documentation
- Provided comments on draft legal documentation of potential new and amended financing transactions to ensure operational feasibility pertaining to the terms of each agreement
- Reviewed covenant compliance guidelines for a portfolio of over \$806 million in funded and unfunded commitments covering 13 clients; monitored the receipt and disbursements of funds flow relating to each transaction in the portfolio
- Completed over 30 hours of online coursework covering financial statement analysis, syndicated lending, corporate valuation, and corporate finance
- Updated and maintained internal databases to monitor financing deal activity, including underwriting fees, pricing levels, loans and letter of credit increases/decreases, and covenant compliance issues
- **SELECTED TRANSACTIONS**
  - ♦ Harbor Hydro Holdings – \$290 million senior secured revolving credit & term loan facility (*Lead Arranger, Dec. 2013*)
  - ♦ Aviation Capital Group – \$850 million revolving credit facility (*Lead Arranger, Oct. 2013*)

### **Ion Bank**, Naugatuck, CT

May 2012 – August 2012, December 2012

*Summer Intern, Accounting Department*

- Maintained a proprietary database of the bank's ongoing financial obligations and conducted continuous reconciliation analyses to ensure appropriate bookkeeping standards and prompt payments
- Drafted a comprehensive presentation for the annual Board of Corporators meeting outlining the bank's competitive positioning and market opportunity, analysis of balance sheet strength, and lending margins
- Successfully completed the Bloomberg Essentials Training Program, covering tools and functionalities of the Bloomberg terminal across asset classes, including equities, fixed income, commodities and FX

### **WallStreetOasis.com**, Remote (Web-based)

February 2012 – May 2012

*Intern, Search Engine Optimization (SEO)*

- Participated in the site's SEO initiative by contacting blogs/authors with the goal of driving growth of in-bound links to the website, relationship-building with contributors and connecting them with WSO articles
- Communicated with the WallStreetOasis.com COO regularly to discuss the success of the SEO project, provided ideas to enhance this site's visibility on popular search engines, as well as ideas for how to improve the internship program

## EDUCATION

---

### **University of Connecticut – School of Business**, Storrs, CT

May 2013
